# OUR STORY

The name H.H. Morgan came from the late Hubert Harold Morgan, father of Joy (Morgan) Cranford. He was a self-employed General Contractor and Evangelist. He was passionate about the Lord, his family, his friends and clients. He never knew a stranger and had a wonderful sense of humor. His dream for his daughter was to have her own business one day. On the 11th year anniversary of his death, May 19, 2012; his dream became a reality as H.H. Morgan Enterprises, LLC was formed.

# OUR PASSION

H. H. Morgan today assists clients in a virtual setting to manage the day-to-day accounting operations in Deltek Vision or Vantagepoint for a negotiated monthly fee-based on services needed each month. H. H. Morgan also completes hourly consulting services based on your needs. Let's face it, we are all juggling more each day; we help our clients as their trusted advisor for all Deltek Vision and Vantagepoint concerns.
