Coverage Engineered for *your* Success

Your business is built on precision, innovation, and skill. Your insurance coverage should be, too. Acentria Insurance provides tailored solutions to **safeguard your employees, projects, and firm from unexpected risks**. From employee benefits to liability protection, we help you build a strong foundation for success.

Employee Benefits

Attract and retain top talent with customized benefits packages designed for engineering and architecture firms. Our exclusive Clear Health Plan offers comprehensive medical, dental, vision, and ancillary coverage tailored to your team's needs.

Employment Practices Liability (EPLI)

Protect your firm against claims of wrongful termination, discrimination, harassment, and other employment-related issues. EPLI coverage helps safeguard your business from costly legal battles.

General Liability

Shield your business from third-party claims related to bodily injury, property damage, and legal fees. We ensure you have the right coverage to keep your projects and your reputation protected.

Workers' Compensation

Keep your employees covered in the event of a workplace injury or illness. Our tailored policies ensure compliance and financial protection, helping your team recover and return to work safely.

A Foundation Risk Partners Company

Your work shapes the world.
Let us safeguard the people behind the plans.
